Sunshine Public School

Annual Report

Academic Year: 2025–2026

Message from the Principal

It gives me immense pleasure to present the Annual Report of Sunshine Public School, Nalagarh for the academic year 2024–2025. This year has been one of significant growth, academic excellence, and holistic development. Our collective efforts have been directed toward nurturing our students into confident, responsible, and compassionate individuals.

Academic Achievements

Our students have consistently performed well in academics. In the board examinations:

Class 10 Results

Ipsita Roy scored an outstanding 95% in the Class X CBSE Board Exam 2025, making the school proud.

Regular assessments, remedial classes, and interactive teaching methodologies contributed to our academic success.

Co-Curricular Activities

Co-curricular activities have always been an integral part of our school program. This year, students participated enthusiastically in:

- Art and Craft Exhibitions
- Annual Cultural Program
- Debates, Declamations, and Essay Competitions
- Music and Dance Programs
- Inter-House Competitions

A proud highlight of the year was our students' remarkable performance in the 3rd Savita Garg Memorial Inter-School Competition, held at Gurukul International Public School, Kunihar. Competing among approximately 500 students from various schools, our students secured first place in four out of five events and won the overall championship trophy.

Sports Achievements

Sports nurture discipline and teamwork. This year our school successfully conducted the Annual Sports Day, with enthusiastic participation from all classes.

Students demonstrated great spirit and athletic skill in various track and field events.

Staff Development

To ensure continuous professional growth, our teachers attended various workshops and training programs, including:

- CBSE Capacity Building Workshops
- Digital Learning and Technology Integration Training
- Subject-Specific Enrichment Programs

Infrastructure & Facilities

We continue to invest in our infrastructure to provide a better learning environment. Upgrades made this year include:

- Renovated and well-ventilated classrooms
- Upgraded Computer Lab and Science Laboratories
- Addition of new books and resources in the Library
- Improved playground facilities and new sports equipment

Community Outreach and Events

Our school remains committed to social responsibility and community engagement. This year, we organized:

- Cleanliness drives, tree plantation campaigns, and awareness rallies
- Visits to orphanages and old-age homes

- Free Health Check-Up Camps for students and staff

Parent-Teacher Collaboration

Regular Parent-Teacher Meetings (PTMs) were held to foster healthy communication between the school and families. Valuable feedback from parents was used for continuous improvement.

Looking Ahead

In the coming academic year, we aim to:

- Introduce new skill-based subjects and electives
- Focus on mental health, mindfulness, and well-being programs
- Expand opportunities in arts, sports, and technology
- Continue striving for excellence in academics and character-building.

Conclusion

We express our heartfelt gratitude to our students, parents, teaching and non-teaching staff, and the school management for their continuous support and cooperation. With unity and dedication, we look forward to another successful and enriching year ahead.
